

# THE COLOUR TORSE

Project for a  
MONUMENTAL SCULPTURE  
in the ECC Garden

Venice Bienale 2022

# THE COLOUR TORSE

Concept and Presentation

"The Color Torse" is a 2.5 m tall sculpture that can also stand on a base up to 60 cm high.

The material is polyester resin, its weight is less than about 100 kg.

This sculpture can be placed in any outdoor setting. the paint is a two-component polyurethane resin special for the most extreme outdoor climates.

# THE COLOUR TORSE

Sculptures of 65 cm High

The two sculptures can also be placed in the garden, as they are a couple.
